

## E-Signature Software Consent Form

Due to current industry standards, Underground Vaults & Storage, Inc. understands that its customers may wish to use electronic means for providing signed documents. This will be allowed if the customer will use one of the leading products on the current market and signs this consent form.

Please select which software your company will be using:

Adobe Sign

DocuSign

RightSignature

OneSpan Sign

HelloSign

SignNow

PandaDoc

SignEasy

I give my consent that documents will be accepted with e-signatures and will be used to allow any future operational requests, to include but not limited to, requests for documents to be retrieved and destruction of records requests.
